people come into our lives for a reason
bringing something we must learn
we are led to those who help us most to grow
& we help them in return
i don't know if i believe that's true
but i know i'm who i am today
because i knew you

How long are bans for that type of rule?

She said her vague appearance to me.

There are quite a few kids who match a vague description.

I wouldn't even know who she was in real life unless she introduced herself as Future.

I am that slow.

Sighs

At least the ban's not permanent.

...Future has given out her full name before. I'm not surprised.
Also, people often give out their birthdays, whcih counts as personal information.

@RubyLav: If it was for the full name thing, then it kinda makes sense, but idk how long ago that was, so if it was over a month ago, it wouldn't make sense for her to get banned now.

But, how is your B-Day so personal? Thousands on people share the same birthday. No one can find, or find info on you if you give away just you're B-Day.

@Stormyskies: No, I think she mentioned something about where she lived. However, it was because she said she could go to Cedar Point, which is a bad reason to ban someone, in my opinion.

I don't count birthdays as personal information because you share your birthday with about 19 million people

Aaaaannnnnnnnddddd..... here we go again. ಠ_ಠ Mods, please Saying your birthday is okay, No one can suddenly hunt you down or stalk or figure out your age if you say the day and month. Also they just want to feel like people care, i would do it cuz my sister would hit meme on the head for,my birthday. my parents will forget . Seriously, No more banning for birthdays.

@Vertigo: She also said she lived in Northeast Ohio, but there are so many cities/towns/people in Northeast Ohio that it'd be NEAR IMPOSSIBLE TO FIND HER.
